From (Name) Lieut-Col.M.M.Khan, I.M.S.,
(Designation) ag.Chief Inspector of Certified Schools.

To The Secretary to the Government of Madras,
Home Department.

Sir,

I have the honour to state that the population of the Junior Certified School, Bellary has risen up to 232 and there is a likelihood of a further increase There are at present four second grade petty officers (2 permanent and 2 temporary) employed in the school besides a warder peon (temporary) on Rs.12/- sanctioned in G.O.No.254, Law(Education), dated the 10th February 1936. The two temporary petty officers were sanctioned in G.O.No.1977/Ms., Law(Education), dated the 24th September 1929 when the strength of the school was below hundred. Now that the population has gone up by more than double its original strength it is impossible for four petty officers to satisfactorily carry out their duties of controlling 232

inmates and maintaining discipline. There should at least be 4 more petty officers including one head petty officer.

2 I therefore request that Government will be pleased to sanction at an early date the appointment of three second grade petty officers on Rs.16-21½ and one first grade petty officer on Rs.24-28 as a temporary measure until such time as the population goes down to 100 and below or the situation is altered by the proposed amalgamation of the Junior Certified Schools Ranipet and Bellary.

3 The extra expenditure will be met from the general savings under "25.Jails and Convict Settlements - Jails - Reserved - Certified Schools - a.G.2.Pay of Establishment - Voted - 1936-37"

I have the honour to be,

Sir,

Your most obedient servant,

Lieut-Col.I.M.S.,
ag.Chief Inspector of Certified Schools.

From the Chief Inspector of Certified Schools,
No. Estt.34/G.1356 dated 22.9.1936.

CHILDREN ACT - Junior Certified School, Bellary - Additional Petty Officers - Appointment of.

A.S.

In the Junior Certified School at Bellary, there are at present 4 petty officers - 2 permanent and 2 temporary - besides one warder peon. The warder peon was sanctioned in February 1929 to look after the duties of both a nursing orderly and a petty officer. In the same year, upon a representation made by the Supdt. of the school for the appointment of 4 more petty officers for the supervision of 96 boys, the Govt. sanctioned 2 temporary petty officers. These three temporary posts are being continued from year to year.

2. The strength of the Bellary school at present is 232, i.e. over 2½ times stronger than what it was in September 1929 when the 2 temporary petty officers were sanctioned. The Chief Inspector states that it is impossible for the 4 petty officers to satisfactorily carry out their duties of controlling 232 pupils and maintaining discipline. He therefore requests that sanction may be accorded for the appointment of 4 more petty officers, viz., 3 second grade officers on Rs.16-21½ and 1 first grade officer on Rs.24-28 as a temporary measure, until such time as the strength of the school goes down to 100 and below or the situation is altered by the proposal to amalgamate the two schools at Ranipet and Bellary. Submitted that as 4 petty officers were considered necessary in 1929 for supervision of 96 pupils, an

additional staff of 4 petty officers (8 in all) seems quite necessary for the present strength of 232 pupils. In the circumstances, it is for consideration whether the request of the Chief Inspector for the appointment of additional temporary staff of 4 petty officers may be accepted. Finance may see for remarks.

The proposal of Home is to sanction the employment of 4 additional petty Officers, viz 3 second grade Petty Officers on 16 - 21½ and 1 first grade warder on 24 - 28 in the Junior Centred ~~Critical~~ School, Bellary temporarily until such time as the strength of the School goes down to 100 or below, or the situation is altered by the proposal to amalgamate the 2 schools at Bellary and Ranipet, which is under separate consideration in Home. The financial effect of the proposal is as under:- pp 1-2 above

2/ The necessity for the additional staff has been set out in the Home depts note on p 1-2 above. The duties of these Petty officers are given in detail on pages 8-10 of Gvt. 1977 Laws (Edn) d 24.9.29. It is urged that the strength of the Junior Certified School Bellary, which stood at 91 in 1929, has now increased to 232 (e) over 2½ times more than what it was in September 1929 when the number of petty officers was increased from 2 to 4. In view of the marked increase in the strength of the School, Finance may agree to the proposal subject to the following conditions

(i) All the 4 additional posts of Petty officers may be in the second grade on a fixed rate of pay of Rs 16- pm

(ii) The period of sanction may be limited to one year from date of employment;

& (iii) The additional staff should be disbanded in case the strength goes down to 100 or below in the meantime or a decision is reached on the question of amalgamation of the 2 schools at Bellary and Ramipet whichever is earlier.

3/ This is an item of new expenditure involving a recurring cost of Rs 1007/ pa and should ordinarily be treated as a

Part II Scheme. The Dg. has applied for the employment of the additional staff at an early date in view of the increase in strength. If the Home dept consider the proposal urgent, they may be requested to adopt the procedure to be followed for the introduction of urgent schemes in the course of a year: i.e. to place the matter before the Finance Committee, which meets on 20.11.36, and to obtain the orders of the Cabinet.

NOTE BY THE ADMINISTRATIVE DEPARTMENT.

There are at present 4 second-grade petty officers (2 permanent and 2 temporary) employed in the Junior Certified School at Bellary. The two temporary petty officers were sanctioned in 1929, when the strength of the school was 96. The strength of the school at present is 232, i.e., 2½ times more than it was in 1929. The Chief Inspector reports that with the present strength of the school it is impossible for the existing 4 petty officers to carry out satisfactorily their duties of controlling and maintaining discipline in the school. It is therefore proposed to appoint 4 additional petty officers in the second grade on a fixed pay of Rs. 16 each per mensem for a period of one year from the date of employment, the additional staff being disbanded if the strength of the school goes down to 100 or below in the meantime. The extra expenditure will be met from the head of account referred to above.
